

ANCC Stage Rally Championship 2018 - Supplementary Regulations

1. The Association of Northern Car Clubs (ANCC) will promote a stage rally championship to be known as the "ANCC Stage Rally Championship 2018".

2. The Championship will be held under the General Regulations of the Motor Sports Association (incorporating the provisions of the

International Sporting Code of the FIA), these Supplementary Regulations, any written instructions issued by the Championship Coordinator and any written instructions that the organising clubs of the individual events may issue.

3. The MSA registration number is: T.B.A.

4. Entry to the Championship is restricted to fully paid up members of member clubs of the ANCC. Last registration date is 30/10/18. Registrations must be received no later than 7 days after the first round a contender competes in for that round to be counted.

5. The Championship will be split into 4 separate sections. The Overall Championship, consisting of all rounds, of which a contender counts their best 9 scores – see also SR 16.

On the Mixed Surface Challenge, the Forest Challenge, & the Tarmacadam Challenge, all events will count. In the event of it being necessary to alter the number of rounds in the overall Championship or any section, the following will apply: Best half plus 1 to count

6. The list of events comprising the Championship rounds is shown at the end of these Supplementary Regulations. All events will be National B status. The Coordinator reserves the right to reduce the number of events, or amend which events will comprise the Championship if necessary. In this case all contenders will be notified by email.

7. There are separate categories for drivers and navigators. Anyone wishing to contest the championship as both driver and navigator (on separate events!) must register and pay for both. It is not necessary for both crew members to be registered for the Championship.

8. The registration fee for the Championship is £10 each for drivers and navigators. For this fee, competitors will be registered for all three sections of the Championship and will be supplied with Championship decals.

9. Competitors must make space available on both sides of any competing car for the prominent display of Championship decals and any advertising specified by the Coordinator. Failure to display the necessary decals may result in the loss of Championship points. Spot checks will take place during the year. Damaged or lost decals are to be replaced. Contact the Coordinator for extra supplies.

10. The Championship will be divided into 5 classes:

Class 1: Engine capacity up to 1000cc.

Class 2: Engine capacity 1001cc – 1400cc.

Class 3: Engine capacity 1401cc – 1600cc.

Class 4: Engine capacity 1601cc – 2000cc.

Class 5: Engine capacity over 2000cc.

11. All vehicles must comply with MSA Technical Regulations R46 – R49. Capacities of engines with forced induction will be subject to an increase by a factor of 1.7. Capacities of rotary engines with a maximum of two rotors will be subject to an increase by a factor of 1.7. Forced induction rotary engines will be subject to an increase by a factor of 2.89 (1.7 x 1.7). Penalties for ineligible vehicles will apply as indicated in C3.5.3 – C3.5.5.

12. On events using a different class structure to that used by the Championship, results will be calculated according to the classes used in the Championship. For example, for an event with a class capacity 1301 - 1600cc, all event entries with a capacity of 1301cc-1400cc will be placed into the lower capacity class for the purpose of calculating championship scores. Where cars in the championship capacity classes are split (e.g. into Group N, Group A and Historic), all the resulting classes will be combined prior to calculating Championship points. Where a rally is split into more than one event, e.g. modern and historic, results will be combined for championship purposes, as long as all parts of the rally cover an identical route in similar conditions e.g. all daylight or all in darkness.

13. During the Championship, registered contenders may change class from the one they originally registered in – please notify the Championship Coordinator in advance. Individual classes will be calculated separately but all scores are eligible for the Overall and Challenge awards, irrespective of the class entered.

14. Points will be awarded on the following basis, calculated on total number of crews in class, not just registered contenders. Points are awarded separately in each section and class as follows:
Starting an event: 20 points Plus Percentage of starters in class beaten. (Fractions rounded to nearest whole number with halves rounded up) Example Finishing 4th in class on an event 18 starters in class 20 points for starting No. beaten in class = 14 (18 – 4) % beaten in class = 14/18 x 100 = 78 Points awarded = 20 + 78 = 98

15. Championship positions will be determined as specified in these Supplementary Regulations. In the event of a tie, the winner will be the contender with the highest individual score on any round, assessed over as many rounds as is necessary to resolve the tie.

16. Championship Awards will be presented as follows:

18. It is the responsibility of contenders to obtain regulations for events and to enter events. Event contacts are indicated in these regulations. Events MAY request address labels to send regulations directly to contenders. The Championship Coordinator MAY notify contenders of the publication of event regulations on websites or e-mail regulations but accepts no responsibility for contenders obtaining regulations or submitting entries in time to get accepted on any Championship round. Be warned - certain events will fill up very quickly!

19. It is the contenders responsibility to inform event organisers of their Championship registration via event entry forms. Failure to do this may mean that you are not listed as a Championship contender on the entry list and therefore may not be picked up by the Championship Coordinator when results are calculated.

20. Results will be posted on the ANCC website (www.ancc.co.uk) after each round where possible. Provisional results will be issued by email to all contenders after the last round and contenders will be advised of the date on which they will become final.

21. Any queries relating to interim results should be raised at the earliest opportunity with the Coordinator.

22. A condition of entry is that contenders agree to the storing of the information requested on the registration form by electronic and paper means and that this information will be used for the organisation of the Championship, including passing on names and addresses to organisers of the events included in the Championship. Phone numbers and e-mails may be supplied to event organisers and may be used by the Championship Coordinator to provide results and information relating to the championship.
