LARA – VNUK - Any motorised vehicle must have its own insurance? – Anything from a tractor to lawnmower - its still on going so watch this space. A lot of roads are been closed and LARA is fighting this but they do need funds to do so. We do need to support them and the work they are doing. All donations are gratefully received.

MSA Regional Committee – Suze Endean was in attendance.

Suze is the MSA Development Manager and joined the MSA full time at the end of February.

Prior to this she was RDO for the South East.

She was pleased to announce the appointment of Heidi Woodcock as RDO for Yorkshire.

The Go-Motorsport website is been updated and should be finished shortly.

Next they are looking at the Club Manual along with a policy for “safeguarding”.

There are plenty of training courses available for Event Safety Officers and Event Safety officers – have a look on the MSA website for more information.

The club development fund is there to be used – there is a more simplistic form to fill out – so get applying!!

Heidi Woodcock (RDO) is starting to contact clubs. Make sure you club info page on the MSA website is up to date with all the correct information on. If you need anything then please get in touch with her.

Chris Woodcock reported:-

D11.1 – Championship calendar is been looked into.

- Keep your eyes out for the consultation period and make sure you go on and express your thoughts.

- Commercial Companies have been running Sprints – the MSA are looking into this as it is illegal.
- Dave Richards has been appointed the new MSA Chairman and will take over in January 2018.
- Marshal’s registration is up. There are 8267 registered marshals – 6056 are rally marshals.....

Registrations are going up by approx. 100 a month. Everyone should have received their marshal’s packs by now – if you haven’t then send an email to training department at the MSA.

12. AOB

Sam Spencer – 2 road rallies had events on the same weekend and this obviously impacted on entries. The ANCC is to reinforce this is not ideal and only one event on one weekend will be accepted into relevant championships.

Sam Spencer – Tyres on road rallies.....

The proposed regulation is ridiculous and is detrimental to road rallying.

The consultation is out and closes in mid-July – so please go on and make your feelings known.

- If sufficient people write in then it will be reviewed !!!!

- You can log onto the MSA website and sign up for notification of rule changes -

The Way Forward – what can the ANCC do for your club??

The ANCC is looking at tagging along with the RDO on club visits and individually to clubs and promoting the ANCC – if you would like a “visit” please contact the ANCC Management Team or our RDO.....

Meeting closed 21:30hrs.
