Championship Regulations

1. The Association of Northern Car Clubs (ANCC) will promote a Road Rally Championship, running between 1st January and 31st December 2024 to be known as: 2024 ANCC Road Rally Championship.
2. The Championship will be governed by the general regulations of Motorsport UK, these supplementary regulations and any written instruction that an organising club of a championship round may issue for their event.
3. The Championship shall be open to all vehicles complying with Motorsport UK technical regulations applying to road rallies. N.B. The Championship organisers strongly recommend that contenders read the relevant section of the Motorsport UK Yearbook.
4. The Motorsport UK Championship Registration number is: CH2024/RALLY063 (E)
5. Entry to the championship will be restricted to fully paid up members of an ANCC club. In the event of a club ceasing to be a member of the Association, competitors may only count points gained from events entered under that club up to the date of that club ceasing its membership.
6. The Championship will consist of 8 rounds which are all Interclub status events. Competitors may only count their best 7 scores. In the event of less than 8 rounds being run, the number of scores to count will be as follows: 7 rounds – 6 scores, 6 rounds - 5 scores, 5 rounds - 4 scores, 4 rounds – 4 scores. The organisers reserve the right to amend events included and the number of events included or scores to count in the championship if necessary. Championship contenders will be informed of such changes as soon as possible.
7. Points may only be scored after a registration has been completed. All registrations must be electronic and a link can be found either on the ANCC Website (ancc.co.uk) or by scanning the QR Code at the bottom of these regulations. There will be no closing date for registrations.
8. Points will be awarded on each round as follows:

In addition, extra points will be awarded for actual overall position:

1st overall: 20 points

2nd overall: 19 points

3rd overall: 18 points and so on to 20th place.

Crews will also be awarded 5 points for each event they start. This total will be in addition to all other scores and there will be no maximum (ie. 7 starts = 35 points)

The crew's class will be determined by the class in which they are listed on the final entry list.

N.B. For scoring purposes, a "registered crew" is one in which EITHER (or both) crew member(s) is a registered contender.
9. Competitors must make space available on both rear windows of the competing car for the display of championship decals.
