6. Applications to join ANCC : The Outkastpandacrew wished to join ANCC - Jonathan Cahill (Outkast delegate) had sent his apologies.
CW had spoken to Andrew Wride (Racing Penguin publicity / website manager - Trackrod MC). RP would check with Andrew Wride.
Nothing further had been heard from either Red Rose LRC, nor Yorkshire LRC. CW noted there was some unrest amongst the Cross Country community, as the chairman was not a popular character, particularly
with the Land Rover section.

7. Alterations to Date / Status of events : PS suggested dropping the Dates / Status item from future agenda's, as he can't check if details had been updated by clubs. Perhaps by using both the club online self-update, & the club email requiring PS to amend the date / status of an event !. The Delegates Minutes can b be sent to Andrew Wride for publishing on the ANCC website. TB would look at the ANCC website, & pass any comments onto RP & Andrew Wride.

8. Championship Co-ordinators Reports : Both the Road & Stage Rally championships permits had been submitted to MSUK for approval.
CW would speak to Iain Tullie & Nicola Harper about the Targa Rally championship.
Autotest championship - TB noted that Alwoodley's Stephen Morten was trying to organise a championship; & would try to contact Stephen again. CW would ask NH to put something on Facebook about the Autotest championship.

11. i) FLO : RP had no changes to announce. Forestry fees had increased, but not yet announced. Equally, there'd been no communications from MSUK. Clubs / Association are working well with the local forestry office. CW noted there was a problem with birds of prey; ANCC has an expert consultant with Natural England.
ii) RLO : PS (West / South Yorkshire) - Clubs submitting dates in good time. CW (Lancs) - Some clubs are submitting dates very early (better than a late submission !). Many events are Touring Assemblies. JR (North Yorkshire) had not sent a report.
iii) Training : Bob Wright had not sent a report.
iv) LARA : TB had not heard from LARA recently.

12. MSUK / Regional Committee : i) : CW noted that the Association of Land Rover Clubs seem to think they are not represented by the regional associations. Claire Kirkpatrick (MSUK) would be asked to attend the next in-person Delegates Meeting (September 1st).
